

WHO ARE WE.

Westchester Networking for Professionals (WNFP) provides a variety of small business resources and benefits to assist small businesses and solo entrepreneurs generate new business opportunities to help grow and develop their business.

We focus on issues such as education, marketing and branding, generating customers, saving money, enhancing credibility, creating alliances and provides programs to help increase visibility and exposure towards taking our members business to the next level.

Our mission is to support and offer ways professional individuals can benefit and acquire the confidence they need to help them excel and achieve their goals.

MEET OUR FOUNDER.

Theresa Todman, our Founder has a passion for bringing people together.

Ms. Todman developed Westchester Networking for Professionals to help professionals meet other like-minded individuals, form lasting relationships and create new business opportunities.

She's not only the Founder of Westchester Networking for Professionals (WNFP), she is also the Managing Partner/CEO of B&M Financial Management Services, providing accounting and small business advisory services.

Ms. Todman is always open to meeting and connecting with new people, be sure to introduce yourself when you see her.
